What is **The Block Party**?

On September 5th, 2025, 15,000 people descended on Historic Downtown Springfield for Lane County's Largest One Day Party. Over **140 participating organizations** with assets from **\$1k to \$2.8 Billion**, came together to celebrate economic growth, arts, culture, craft food, beverage and community building, in the heart of our City Center. Springfield's The Block Party is an annual showcase of the revitalization of Springfield: **One Magical Night, Many Years in the Making.**

As the city starts its 140th year, The Block Party is poised as **the premier free gathering** in Lane County where businesses, non-profits, and civic partners can connect with their community, building the future of our region for the next generation of Oregonians. We are honored to bring together all of Springfield, in conjunction with the annual Herencia Hispana (Hispanic Heritage) Celebration.

We support a healthy and vibrant community through our 501c3 charity Community Activation Network who organizes The Block Party as a small, mostly volunteer team.

Always Free, For Everyone

We started with a few acoustic performers and a stilt walker. Then came the jugglers and bounce houses. If you give a city a party, they're gonna want a beer to go with it, and throw in a few food trucks and bands for good measure.

Each year, we add more stages, more activities, more rides, more small business vendors and more organizations meeting the people they serve on Main Street.

Here are a list of verifiable successes:

- **Largest Ribbon Cutting in Springfield Chamber History**
- **1st Pedestrian Street Closure of ODOT 126B in Modern History**
- **Local Brewery: 1 drink sold every 36 seconds for 5 hours**
- **Local Grocery Store: 1st, 2nd & 3rd Best Days Ever at The Block Party**
- **Food Truck: Equal Sales to a "Local Large Fall Sports Event"**
- **Local Corner Market : \$1500 of Beef Jerky Sales**
- **Small Craft Vendor (multiple): Best Event Ever**

Created By **Our Community**

We work hard to make an active event, full of wonder and opportunity, with magic around every corner. From the **flatbed truck stage** to the **mechanical bull**, **karaoke** and a **24' tall slide**, The Block Party is designed with over **150 Really Great Spots** and **10 City Blocks** + Parking Lots in our Downtown Center.

Here's some things WE DIDN'T DO, but some really creative and fun people did to make the party even that much more fun for their community.

- Ken Kesey Mural Celebration & Simpsons Mural Celebration by CMO
- Adventure Children's Museum Kid's Scavenger Hunt
- Eugene Symphony Instrument Petting Zoo
- Thrill The World Flash Mob
- House DJ at Main Street Market
- Bride of Frankenstein Appearance by Springfield History Museum
- Flowzone for Juggling Courtesy of MDT Training

Generational Investment

We started **Community Activation Network (501c3)** to organize free, in-person community events that activate public spaces, support small organizations, and foster civic engagement and local collaboration while building community.

We believe in the future of Lane County & Springfield, and Springfield's The Block Party is a community wide investment in the humans, businesses, great causes and civic partners that build a better, safer & more welcoming place to grow up, thrive and retire.

We need more Strategic Support Partners for this mission. Party costs increase each year, but each dollar spent goes back into the local economy, for the good of the community and its residents. If **\$500 or \$5000** dollars seems like the right investment for you and your organization, you can give to community wide impact and purpose. As a registered charity, we provide tax deductible receipts for your organization and grant tracking for your foundation.

Partnerships For Ages

City of Springfield

WE'RE ALL SPRINGFIELD

- We couldn't do this without the support of these groups.
- They bring professional logistics, planning, permitting support.
- We celebrate our community alongside Herencia Hispana each year.
