The Foundation for Amazing Potentials Ltd Sponsors Food Angel to Provide 8,888 Hot Meals for Seniors in Need of Assistance during the COVID in Hong Kong

Today, Foundation for Amazing Potentials Ltd. announced a donation for Food Angel to provide 8,888 hot meals for seniors in need of assistance during the COVID in Hong Kong.

Since the COVID outbreak, tens of thousands of Hong Kongers are out of work and struggling to put food on the table for their families. Traditional safety nets like city services, and food banks are straining under increased demand. Seniors, who are isolated for their safety, cannot access meal services.

In times like these, we are inspired by the stories of compassion in our communities. Across Hong Kong, people to come together, put their own needs aside to serve the collective wellbeing of others.

Food Angel works across Hong Kong to safely distribute individually packaged, fresh meals in communities that need support – for children and families to pick up and take home, as well as delivery to seniors who cannot venture outside. To date, Food Angel has provided over 2,778,572 million meals in Hong Kong since 2011.

This sponsorship is dedicated to Food Angel for following strict food safety protocols, rescuing food items that will be prepared as nutritious hot meals in its own central kitchens, then be redistributed to serve the underprivileged seniors in Hong Kong through 59 participating charity partners named in the Appendix.

"During COVID, the world changed profoundly, and daily lives of many were overturned in a way none of us could have imagined. We want to partner with Food Angel meet the daily needs of seniors in Hong Kong through a warm plate of food." affirmed Steven Ying, a Trustee of Foundation for Amazing Potentials.

"We hope this donation can help harness the power of food to heal communities in times of crisis and beyond. We know that a nourishing meal in a time of crisis is so much more than a plate of food—it's hope, it's dignity, it's a sign that someone cares about you and that you are not alone. We're sharing so much more than a meal, and that's why we want to partner with Food Angel." He continues.

"We are grateful for Foundation for Amazing Potentials generous sponsorship of hot meals to our needy elderly during the challenging time of Covid-19. Our elderly felt the good wishes, care and respect from this kind act." said Zoe Lee, Associate Chef Executive Officer of Food Angel.

About Food Angel by Bo Charity Foundation Ltd.

Food Angel is a food rescue and food assistance program launched in 2011 by Bo Charity Foundation with the mission of "Waste Not, Hunger Not, With Love". The program rescues edible surplus food from different sectors of the food industry that would otherwise be disposed of as waste. Following strict safety protocols, the rescued food items will then be prepared as nutritious hot meals in our central kitchens and be redistributed to serve the underprivileged communities in Hong Kong.
