

Damien Crandall Named Chairman of the Board for ABC of Georgia

ATLANTA (January 30, 2026) — Associated Builders and Contractors of Georgia (ABC of Georgia) announced today that **Damien Crandall**, Operations Director at **Balfour Beatty**, has been named 2026 Chairman of the Board.

Crandall leads project teams across Balfour Beatty's Georgia operations and brings more than eighteen (18) years of experience delivering complex, high-profile projects across a range of markets, including local government, K–12 education, higher education, hospitality, residential, office, adaptive reuse, and renovation.

"Damien's leadership reflects the values that define ABC such as integrity, service, and a commitment to advancing the construction industry," said Bill Anderson, President and CEO, ABC of Georgia.

A graduate of **Auburn University** with a Bachelor of Science degree in Building Science, Crandall also served in the **United States Navy**, an experience that continues to shape his leadership approach and dedication to service.

Crandall has been actively involved with **Associated Builders and Contractors of Georgia** since 2007. He has served on the Membership Development Committee for more than a decade, including as committee chair, and is a three-time recipient of the ABC of Georgia's Builder's Cup award. Known for his passion for mentorship, Crandall is deeply engaged in encouraging young professionals to get involved with ABC and build lasting careers in the construction industry.

"I'm honored to serve as Chairman of the Board and to support an organization that has played such a meaningful role in my career," said Crandall. "ABC's focus on leadership development, safety, and workforce growth is critical to the future of our industry. I look forward to working alongside our members to strengthen the construction community across Georgia and support the next generation of builders."

As Chairman, Crandall will help guide ABC of Georgia's strategic direction, support its membership, and continue the organization's mission to develop people, win work, and deliver projects safely and successfully.
