

# PREMIUM CRAFT GIN

**MADE FROM:** 85% ABV grain neutral spirits of unmatched quality with the ideal organoleptic profile for base vodka.

**PROCESS:** Juniper berries are cold macerated at 60°F up to 48 hours. The maceration is then distilled in our Vendome pot still.

**TASTING NOTES:** Aromas and flavors of juniper, sweet ginger, bay, lemon balm, aniseed, and angelica with a supple, bright, dry light body and a smooth, relaxed finish that presents notes of orange peel, white flowers, and coriander finish.
