APPELLATION

Burgenland

WAITING FOR TOM
weiss

**WINEMAKING & VINEYARD**

Certified Biodynamic. 90% Weissburgunder and 10% Chardonnay from roughly 30 year old vines, grown on sand, clay and gravel soils in the Goldberg and Eroffacker vineyards. The fruit was hand harvested in late August and early September, and whole cluster fermented on the skins overnight in stainless steel. The wine was racked to 2000L Austrian Oak barrels and 1000L clay amphora for 13 months élevage. Bottled unfinned and unfiltered, with 37 mg/L total free SO₂.
