Syrah Grenache 'Sable' Blewitt Springs

Commune of Buttons

VARIETY:

Syrah Grenache

FARMING:

Organic

APPELLATION

Blewitt Springs

WINEMAKING & VINEYARD

Organic. 60% Syrah, 40% Grenache. This is the first vintage of this wine and working with this site. The vineyard is in Blewitt Springs at the southern end of the GI overlooking McLaren Flat to the south. There is only sand under foot here and this is seen for at least two meters into the subsoil. It is managed by Fiona Wood and contains 6 hectares of 80-year-old Syrah and Grenache vines. The Syrah and Grenache were hand harvested on the same day 6th of March 2023. The fruit was hand sorted and destemmed into 500 litre fermenters and chilled down for several days. The grapes were then transferred to a 2500 Jarrah fermenter where fermentation took place over 3 weeks. The wine was aged in fibreglass tank for 10 months before bottling. Unfined and Unfiltered, 20ppm SO2 after malo.
