Red Blend 'Superglitzer'

Rennersistas

VARIETY:

St. Laurent, Zweigelt, Rösler

FARMING:

Biodynamic, Organic

APPELLATION

Burgenland

SUPERGLITZER

**WINEMAKING & VINEYARD**

Certified Biodynamic. 35% Sankt Laurent, 45% Zweigelt, 15% Rösler (a red-fleshed or teinturier variety), 5% Blaufränkisch. The grapes for this blend come from two different vineyard sites, one planted in 1964 and one in 2009, both on sand, clay, and gravel soils. Fruit was pressed 40% whole-cluster and 40% destemmed, then fermented on skins for seven days. 20% of the blend was whole-cluster direct press. The blend then spent six months on lees in different types of used oak vessels, and four months in stainless steel tanks to come together. Unfined, unfiltered, less than 20 ppm SO₂ added at bottling.
