**WINEMAKING & VINEYARD**

Certified biodynamic. 100% Gelber Muskateller. Taken from two vineyard sites at 20-25 years of age. Fermentation begins in stainless steel, then when the wine is around 20g/l residual sugar, it's bottled to trap bubbles. Aged on lees for about five months in bottle, then disgorged in Feb/March of 2026. 15 ppm SO2 added at disgorgement.
