Biodynamic, Organic

APPELLATION

Burgenland

WAITING FOR TOM
rosé

**WINEMAKING & VINEYARD**

Certified Biodynamic. Zweigelt (95%) and Blaufränkisch (5%) from 16 year old vines grown on sandy clay and chalk from the Schafleiten and Gebühl vineyards in Gols. The fruit is hand harvested and shortly macerated. The wine is fermented with native yeasts in stainless steel, and aged for 9 months on the lees in large 3000 liter Stockinger barrels. Bottled unfinned and unfiltered with 13 mg/l total SO₂.
