**WINEMAKING & VINEYARD**

Biodynamic. Scheurebe (40%), Riesling (30%), Grüner Veltliner (20%), and Gelber Muskateller (10%) from Loidesthal and Blumenthal, grown on chalky Löss. The fruit is hand picked in September, co-fermented and macerated for 2 weeks in stainless steel. The wine is aged for 8 months in used 500 liter oak and acacia barrels, and bottled unfiltered and unfiltered with a 10 mg/l SO2 addition. Past vintages have included only Scheurebe and Grüner, but in 2024 the Schödl family added some Riesling, and a bit of Gelber Muskateller for lift and texture. Fresh, bright and aromatic, always limited, and one of our favorite macerated whites from Austria.
