Muscaris 'Laurenz'

Josef Totter

VARIETY:

Muscaris

FARMING:

Organic, Biodynamic, Orange Wine

APPELLATION

Vulkanland

**WINEMAKING & VINEYARD**

Organic, Biodynamic. 100% Muscaris (PiWi variety, a cross of Muskateller and Solaris). Hand-harvested, fermented on the skins in terra cotta amphorae for three weeks. Pressed off afterward and moved to 750L used barrels until bottling in August, around 11 months later. Unfined, unfiltered, zero added SO2. 'Laurenz' is always taken from the best Muscaris grapes of the harvest; it's the name of the Totters' firstborn son.
