Kamptal

Gemischter Satz 'Terrassen 1958' (field blend)

Arndorfer

VARIETY:Neuburger, Grüner Veltliner,
Riesling**FARMING:**

Certified Organic

APPELLATION

Niederösterreich

**WINEMAKING & VINEYARD**

Certified Organic. Riesling (20%), Grüner Veltliner (20%), and Neuburger (60%), taken from a single-parcel, old-vines field blend. The parcel is old terraces planted in 1958, at 230-240m elevation, on loess soils within the Wechselberg vineyard site. Martin bought this traditionally co-planted parcel from an old man in his village of Strass in 2005 (much to the disapproval of older folks in the area). The plot was never re-worked or widened for tractors, so it is still worked by hand. The fruit sees 6 hours of maceration before pressing, then is fermented and aged in neutral French barriques and stainless steel barrels for ten months on full lees. Unfined/unfiltered, 14 mg/l SO2 added just before bottling. One of the Arndorfers' most complex and accomplished wines, a piece of Kamptal heritage.
