WINEMAKING & VINEYARD

Certified Biodynamic. 100% Gruner Veltliner from the highest point of the village Mollands, on light sandy loess soil with rose quartz. The vineyard are around 35 years old and have been farmed biodynamically since before Josef bought it in 2015. This is Josef's finest Gruner, and in our opinion the final word on what the Northern Kamptal brings to the table. Whole bunch pressed to an old 3000L barrel, and aged on the fine lees in the same. Bottled unfined, unfiltered, and with 20 ppm additional SO2.
