**WINEMAKING & VINEYARD**

Organic, Biodynamic. 100% Souvignier Gris (PiWi variety, a cross of Cabernet Sauvignon and Bronner). The base wine is 2018, which was direct pressed, fermented in 300L barrels, then aged there for one year. Newly fermenting juice from the 2019 harvest (30%) was added to the base wine, then bottled to obtain natural bubbles. Aged on the lees for two years; disgorged fall 2021. Unfined, unfiltered, zero added SO2.
