**WINEMAKING & VINEYARD**

Certified Biodynamic. 100% Grüner Veltliner from multiple vineyard sites in Schönberg. Schönberg is a high elevation plot near the northern end of the Kamptal Valley that features gneiss, slate, loess and loam. There is good exposure here so the fruit sees lots of sun during the day, and cool, windy nights. The grapes are whole bunch pressed to stainless steel and fermented spontaneously. Once dry, the juice is moved to neutral barrels for 8 months élevage on the fine lees, and bottled unfined and unfiltered with a small sulfur addition.
