WINEMAKING & VINEYARD

Certified Organic. Vineyards: Strasser Wechselberg - planted 1959 - clay soil - 306 m altitude. Strasser Gaisberg - planted 1964 - loess soil - 226 m altitude. Strasser Hasel - loess soil - planted 1972 - altitude 276. Vinification: maceration up to 24 hours before pressing, whole bunch pressing, fermentation with native yeasts aged for 10 months on the lees in used French oak (2-3 years old), of 228 liters. Naturally occurring malo. No fining, just smart filtered once (a fine metal mesh to catch large solids). Sulfur added once (max of 20 mg/l) - just before bottling.
