3 of a kind. Mathias, Viktoria and Leonhard. Three siblings with a heart and love for wine. In harmony with nature. Honest craftsmanship as a motto. Pure and genuine into the bottle.

Alc. 12,5% by Vol.

750 ml

WINEMAKING & VINEYARD

Certified Organic w/biodynamic principles. Sourced from Schodl’s plot in the town of Blumenthal. Loess mixed with sandstone soils. Grapes are harvested in mid-Oct. After destemming the berries have skin contact for a few hours to extract flavor from the skins. There is more skin contact here than w/ Löss & Lehm bottling and the yields are also lower on this bottling. After gentle pressing, the juice went through fermentation in stainless steel tank with natural yeast at a temperature with 18°C. Aged on the fine lees until bottled.
