**WINEMAKING & VINEYARD**

Certified Organic. 25% Neuburger, 25% Chardonnay, 30% Grüner Veltliner, 20% Riesling. All of these grapes are taken from one of Martin's most important vineyard sites in the Kamptal, the Gaisberg, as a way of giving a snapshot of the terroir of the whole hillside. The Chardonnay and Neuburger are cofermented; Grüner and Riesling are vinified on their own; everything is fermented in neutral French oak barrels and aged on full lees for ten months, then blended together. Unfined, unfiltered, with 20mg/l SO2 added just before bottling. This wine was formerly three separate 'die Leidenschaft' bottlings; Martin has combined the wines to give the most nuanced picture of the site.
