Martin and Anna Arndorfer

FOUNDED:**COUNTRY:**

Austria

REGION:

Kamptal

Vereinter Schatz Red

Arndorfer

VARIETY:

Zweigelt, Pinot Noir

FARMING:

Certified Organic

APPELLATION

Niederösterreich

WINEMAKING & VINEYARD

Organic. 80% Zweigelt and 20% Pinot Noir from young vines grown on loam and gravel at 240 to 280 meters above sea level. The fruit was hand harvested and macerated with mostly whole bunches for 12 days before pressing. It was fermented with native yeasts in stainless steel, and aged for 6 months on the lees in predominantly large 2000 liter barrels. The finished wine was bottled unfinned and unfiltered with a 12 mg/l SO2 addition. This blend does something that is so pleasant in Austrian reds. There is tension, acidity, and texture - all in one very affordable package.
