Mathias, Viktoria, and
Leonhard Schodl

FOUNDED:**COUNTRY:**

Austria

REGION:

Weinviertel

Blanc de Blancs Brut Nature

Schodl

VARIETY:

Chardonnay, Pinot Blanc

FARMING:

Certified Organic

APPELLATION

Weinland

**WINEMAKING & VINEYARD**

Certified Organic and Biodynamic. Our loved natural producer in the Weinviertel is well-known for their excellent, pristine pét-nat, but in reality the Schödl siblings actually learned the traditional method first, from their father who loves the style. This 100% Chardonnay represents one of their finest releases of traditional method sparkling since mastering more natural techniques, with 85% of the base/vintage wine aged in neutral barriques, and 15% of the reserve blend coming from a solera of older vintages. 20+ months on lees, hand-riddled and disgorged at the winery. Elegant, round on the palate, with a lot of nerve at the finish. Base vintage for the current release is 2022.
