APPELLATION

Western Cape

**WINEMAKING & VINEYARD**

Certified Sustainable. 100% Sauvignon Blanc. Sourced from 4-hectare vineyard called Opstal in Western Cape at 300 meters above sea level. The vine age is 16 and the soil is ancient sandstone. After destemming, all the free-run juice from the press went into a stainless-steel settling tank where it settled for 48 hours at 9C. Fermentation took about 3 weeks to finish. Occasional mixing of the tank during fermentation to stir up the lees and enhance eventual mouthfeel. Rested in stainless steel tanks on its gross lees for 4 months before bottling. 1650 cases produced.
