How to Register for the Autism Society San Diego Autism Social and Mental Health Conference on Friday, February 20th, 2026 (REGISTRATION OPENS NOVEMBER 1ST, 2025):

Vendor Code: PY3056

Anyone who is using SDRC funding must register using a special link that will be available on November 1st. The link will take you to a google form that collects your registration details.

The google form includes fields for the person registering to submit their service coordinator's name as well as their email address and phone number. There are also fields for their UCI number and the name of the SDRC client. It also includes a question asking if the participant is a parent/caretaker, autistic adult, or professional. There is no charge to register using this option. We require that participants get approval for funding from their service coordinator prior to registering, and upload proof. They will not be able to register without doing so. We will accept a copy of a POS or a copy of an email from their service coordinator showing that the funding has been approved.

The cost for in person general admission is \$300 and the cost for virtual attendance is \$250, and we do have a discounted rate for autistic adults, which is \$100.

If anyone has any questions or needs further information about this conference, the registration process, or anything else related to Autism Society San Diego, they can contact Amy Munera, our Outreach Manager, at amy@autismsocietysandiego.org.
