

# Year 4 Home Learning 3rd April 2025

Our topic next term will be **Globetrotting**, which means traveling, and experiencing exciting and new things. Over the holiday, try some new or exciting things. When you have completed your task, create a stamp image in your book to represent what you did!

Below is a list of ideas that you can choose from (if you have another idea use it). You do not need to do everything, just find something that interests you:

- try baking
- write/ perform poem
- choreograph a dance
- make a sculpture (junk modelling)
- explore nature (trails, forests, etc.)
- make up a game and teach someone
- visit a museum or castle
- try skipping stones
- learn to sew on a button
- make or go on a treasure hunt

## MATHS

**What do you know about fractions?**

Equivalent fractions?

Improper fractions?

Mixed fractions?

Simplifying fractions?

Adding and Subtracting fractions?

Make a poster to show everything you know and share it with a grown up. Keep up with times tables practice too!

## SPELLINGS

supermarket    supersonic  
automatic

antiseptic    antibacterial  
antisocial

autobiography    supernatural

Remember to **read** for at least **20 minutes** every day!
