

# Year 4 Home Learning 01st May 2025

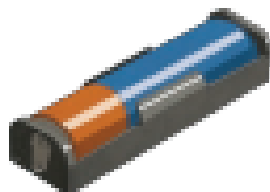

Our Science topic this term is electricity. We have been learning about how electrical appliances are powered and about circuits.

For home learning this week, use some components to draw a working series circuit and label them.

1 bulb

1 cell

.

## MATHS

Go to MyMaths to complete this week's revision task.

Keep up TTRS practice and use the Thompson website too.

## SPELLINGS

fair/fare, grate/great,  
here/hear, mail/male,  
peace/piece, weather/  
whether

Remember to **read** for at least **20 minutes** every day!
