

Year 3 Home Learning 18th September 2025

****Grown-ups ~ please supervise your child's home learning so they are attempting the work correctly****

Please practise forming the numbers 0-9

Note that they all start at the top!

MATHS

Create your own sequences with missing numbers and test someone at home!
E.g. 0, 50, 100, ____, 200, 250...

Don't forget to log onto MyMaths and Times-Table Rockstars

SPELLING

Revise

**said when with
what people asked
children could**

If your child has difficulty learning spellings, concentrate on the bold words

Remember to read for at least 20mins every day. 😊
