

Year 1 Home Learning 18th September 2025

Maths

This week we have been focusing on counting to 10 forwards and backwards

For your home learning please complete the sheet on the next page by filling in the missing numbers. You could draw your own caterpillar if you can't print the page.

To help you please have a look at these songs to practice counting from 1-10 forwards and backwards.

Phonics

This week we are continuing to work on **Phase 4** in Phonics. These are the sounds we have been learning:

mp (lamp) **nd** (land)
nk (think) **nt** (hunt)

We have also been learning some more CEW: like, so, do and was

For your home learning please practice writing the following:

1. **like**
2. **so**
3. **do**
4. **was**
5. **the**
6. **and**

English

This week we have been working on our 'I can see' sentences in English.

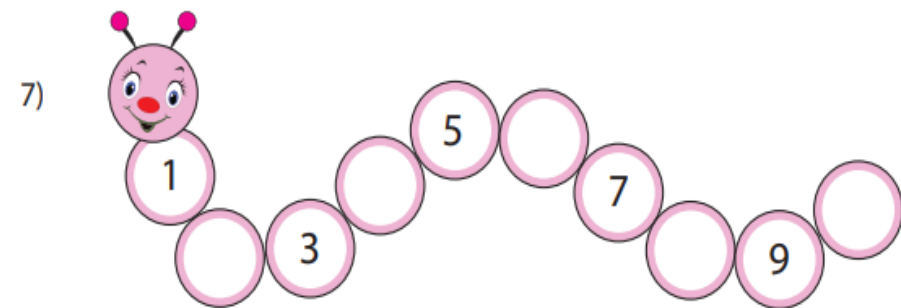

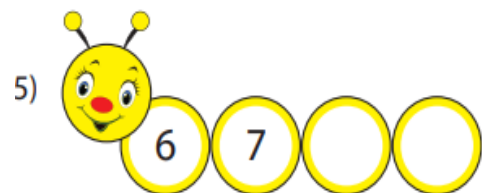

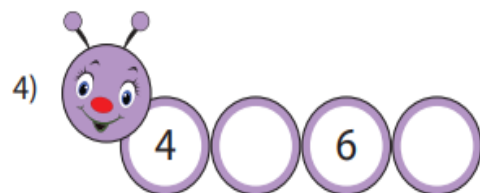

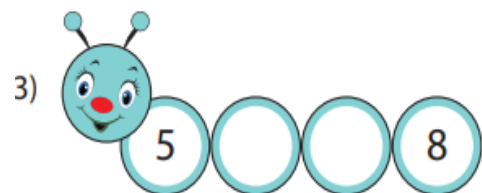

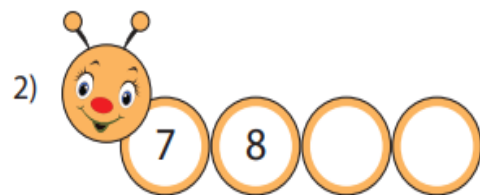

For your home learning this week can you write 3 or 4 'I can see' sentences to describe the jungle picture.

Don't forget to show us your sentences!

Reading

Please try and remember to read your book for 10 minutes everyday.

Count forward by ones and fill in the missing numbers.

Backward counting

Fill in the missing numbers.
