

Year 1 Home Learning 25th September 2025

Maths

This week we have been focusing on comparing numbers to 10.

For your home learning this week use objects from home (uncooked pasta, buttons, Lego pieces) grab two different amounts (less than 10) and place them on two plates.

Then work out:

1. How many on each plate?
2. Which plate has more objects?
3. Which plate has less objects?

Then repeat this with a different number of objects.

Phonics

This week we are continuing to work on **Phase 4** in Phonics. These are the sounds we have been learning:

sk (desk) **st** (nest) **ct** (fact)
pt (wept) **xt** (next)

We have also been learning some more CEW: **some, come and they**

For your home learning please practice saying and writing the following:

1. come
2. some
3. they
4. all
5. and
6. have
7. has

English

This week we have been continuing to work on our 'I can see' sentences in English.

For your home learning this week choose your favourite page from your favourite book and practice writing 3 or 4 sentences to describe what you can see .

Don't forget to show us your sentences!

Reading

Please try and remember to read your book for 10 minutes everyday.
