

Year 6 Home Learning 16.10.25

Maths Maze

Study this Maths Maze game that has been created to help Year 2 children practice their times tables.

Can you design a Maths Maze game that would help a child in Year 6 practice and improve their multiplication skills?

Don't forget to test your game to make sure the options you provide are correct!

Spellings

ancient	forty
various	equip
necessary	sacrifice
attached	equipment

Can you write your spellings in alphabetical order? Can you think of other ways to sort them?
