

Podcasts

This week, we worked in groups to write and record podcasts all about the Anglo-Saxons.

For your home learning, plan and write a podcast about a topic of your choice. You want to interest your listeners so choose something you are passionate about! It can be anything at all, e.g. a hobby, someone you admire, a place you have been or would like to visit. **Use the sheets you have been given** in class to help you.

You are very welcome to record your podcast at home to share with your friends and family.
