

# Year 1 Home Learning 20th November 2025

## Maths

This week we have been focusing on identifying and describing 2d and 3d shapes.

For your home learning this week we would like you to go on a shape hunt round your house.

I have attached the 2d and 3d shapes we looked at in our lessons to help you.

You can also log on to MyMaths (**login is in your reading record**) to practise identifying 2d shapes.

## Reading

Try to remember to read your book for 10 minutes everyday.

## Phonics/spelling

This half-term we are focusing on **Phase 4 mastery** in Phonics as well as recapping our CEWs.

For your Home Learning this week have a go at the free games on phonics play to practice your **Phase 4** sounds.

**Buried treasure:**

## Topic

In Science we have been looking at the seasons and the different weathers that happen in each season.

For your home learning this week we would like you to go on an autumn walk and complete an autumn scavenger hunt. **(list is on next page)**

You could go on a walk round the park or even on your walk to or back from school.

**How many items can you tick off your list?**

**As a challenge can you make a list of any other things you see on your walk.**

# Autumn Scavenger Hunt

Look around for these autumn items and animals. When you spot one, tick it off your list.

Who can find them all?
