

Continue to learn your lines, tunes and lyrics for our production.

Make sure you know your cues too!

You should be **off script** by **next Friday, 5th December** for the year group rehearsal.

Maths

Learn the 12 times table by heart with the division inverse e.g. $6 \times 12 = 72$ and $72 \div 12 = 6$.

You have also been set a bar modelling task on MyMaths.

Spellings

a long /a/ sound spelt with 'ei'

eight eighth eight

weight vein veil beige

sleigh freight neighbour

Can you write a poem using these words?

Remember to **read** for at least **20 minutes** every day!
