

SCIENCE

What are the key features of:
mammals, reptiles, fish, birds
and amphibians? Make a list!

You can use this webpage to help you remember:

<https://www.bbc.co.uk/bitesize/articles/zfsqtcw>

MATHS

Keep practising the times tables your heat map showed needed to be speedier.

Go to MyMaths to complete this week's revision task.

SPELLINGS *Phonemes for the 'air' sound*

therefore February library
ordinary various beware
square millionaire parents

Remember to **read** for at least **20 minutes** every day!
