

Year 1 Home Learning 15th January 2026

Maths

This week in maths we have been looking at:

- Counting in 10s
- Using place value to compare and order numbers.
- Identifying one more and one less.

For your home learning this week have a go at the worksheet on comparing numbers up to 40.

You can also log on to MyMaths (login is in your reading record) to practise counting objects. 

Phonics/spelling

This half-term we are focusing on **Phase 4 revision** in Phonics as well as recapping our CEWs.

For your home learning this week have a go at these spellings:

- | | |
|-----------|----------|
| 1. said | 2. have |
| 3. little | 4. where |
| 5. there | 6. were |

Don't forget to practice saying them too!

Topic

As part of our learning this term we will be turning our role-play area into a vets surgery.

For your home learning this week we would like you to research what a vet does and make a list of things you might see in a vets surgery.

E.g. X-ray machines and bandages.

You could also draw a picture of a vets surgery with all the items from your list.

Reading

Try to remember to read your book for 10 minutes everyday.

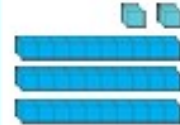

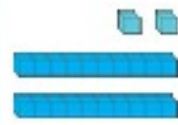

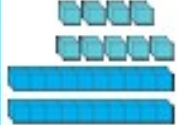

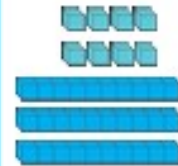

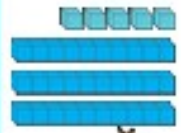

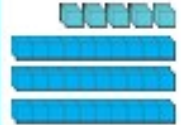

Don't forget to bring in your books to be changed on your reading day.

Comparing Numbers up to 40

Compare these numbers. Write the number shown by the pictures then circle whether it is more than, less than or equal to.
The first one is an example.
