

Year 2 Home Learning - 29th January 2026

English

In Year 2, we are always working on using full stops correctly. Recently, we have been practising how to use exclamation marks and question marks. For your Home Learning, we would like you to use the links below to practise how to use these different forms of punctuation. Once you are done, try to write some sentences using full stops, question marks and exclamation marks.

Example sentences:

- I like to play in the park.
- What is your favourite colour?
- Wow, that was amazing!
