

# Year 3 Home Learning 26<sup>th</sup> March 2026

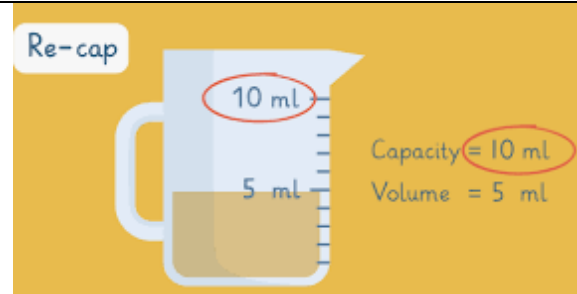

**\*\*Grown-ups ~ please supervise your child's home learning so they are attempting the work correctly\*\***

## Class Assembly

- Learn your line(s)
- Learn the songs and lyrics
- Bring a clean empty water bottle to school

## MATHS

We have been learning about volume and capacity.

Pour some liquid into different containers.

Measure the volume with a measuring jug.

Fill the same containers to the top and find out the capacity of the same containers.

## SPELLINGS

below above beside under  
distance beneath around inside

Try to use these prepositions in your London Eye writing!
