

Year 3 Home Learning 26th March 2026

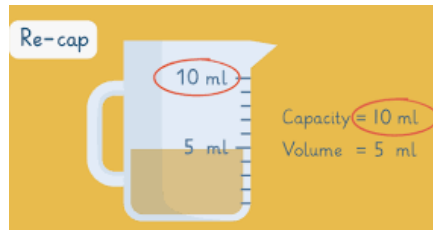

****Grown-ups ~ please supervise your child's home learning so they are attempting the work correctly****

Create a diary based on your **real holiday** or an **imagined adventure**.

 Try to write a new diary entry **every few days**.

-  **Choose your idea:**
-  **My Real Holiday Diary**
 -  **My Imaginary Adventure** (space, jungle, time travel, etc.)
 -  **Diary of an Animal**

MATHS

We have been learning about volume and capacity.

Pour some liquid into different containers. Measure the volume with a measuring jug. Fill the same containers to the top and find out the capacity of the same containers.

SPELLINGS

below above beside under
distance beneath around inside
Try to use these prepositions in your London Eye writing!
