

RE

This term we have been learning about Christianity. Recently we explored how the Bible uses stories to help teach Christian values.

One story we learned about was the 'Prodigal Son'

We would like you to create a poster about the story and the lesson it teaches Christians

You can watch the story here

<https://www.youtube.com/watch?v=29qEf9afdcA>

Maths

We have been learning about 3D shapes this week. We would like you to search around your house to spot what shapes you can find

3D Shape Hunt

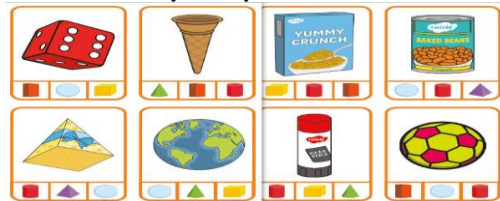

Use a tally to count the shapes you see.

Shape	Tally

Which shape did you see the most?

Which shape did you see least?

Extension- can you make a poster to show examples of each shape you spotted.

We have taken these words from the Year 2 common exception word list. We would like you to practise writing these words at home so you can apply them to your writing in class.
