

Science

In science we will be learning about protecting the environment.

Can you create a poster about how we can protect our environment

You could

- remind people to not litter
- how to reduce pollution
- charities that help

Maths

We have been learning fractions

We have been learning about how to identify and represent a mixed number

To do this count how many wholes you can see then add the fraction that is left over.

1. Write each improper fraction and mixed number represented below.

		Mixed Number
a.		
b.		
c.		

We have taken these words from the Year 2 common exception word list. We would like you to practise writing these words at home so you can apply them to your writing in class.

improve

kind

last

many

mind

money

Remember to read for at least 20 mins every day.
