

Year 1 Home Learning 9th July 2026

Maths

In maths this week we have been looking at division using sharing.

For your home learning this week have a go at one of these activities:

1. Using objects from home (**lego, buttons, socks**) ask someone to make a group of up to 20. Then have a go at equally sharing the objects into different numbers of groups (**2s, 3s, 4s**)
2. Have a go at the worksheet attached.

You could also logon to MyMaths (**Login is in your reading record**) to practice your division skills.

Phonics/spelling

This week we continued with phase 5b in phonics.

For your Home Learning this week have a go at the free games on phonics play to practice your **Phase 4 & 5** sounds.

Buried treasure:

<https://www.phonicsplay.co.uk/resources/phase/4/buried-treasure>

Dragons den:

<https://www.phonicsplay.co.uk/resources/phase/4/dragons-den>

Picnic on Pluto

<https://www.phonicsplay.co.uk/resources/phase/4/picnic-on-pluto>

Reading

Try to read for 10 minutes **everyday.**

Don't forget to bring all books back next week.

English

This week we have been busy finishing our sensory garden ready for your parents to come and visit.

For your home learning can you draw a picture of your favourite thing in the garden and write some sentences.

You could write about:

1. **The flowers we grew**
2. **The grassheads**
3. **The sensory walls**
4. **The herbs we grew**
5. **The windmills/windchimes**

Sharing at the Teddy Bears' Picnic

The teddy bears are having a picnic. Can you help them share their food so they have the **same** amount each?
