Fonetti

Meet the Personal Reading Coach that creates confident readers.

Fonetti is an award-winning AI-powered reading platform built specifically to listen to children read, transforming them into confident, independent readers.

Children choose from a library of engaging books and simply read them aloud. Progress and stars achieved are shown to inform and encourage.

When read correctly, the words turn green. If skipped or misread, they turn grey. For children, an audible clue can be accessed by simply double-tapping the word.

Children can effortlessly monitor their progress on a daily, weekly, monthly or overall basis! Parents and carers are kept informed with weekly progress updates.

Fonetti is proven to boost oracy, fluency, reading and English language skills.

88%

of parents reported increased reading enjoyment in their children

91%

of parents noticed increased reading confidence in their children

97%

of parents would encourage their child to take part again
