

# Partitioning within 100

## Make and Count

Make the amount shown with base ten equipment. Count them and record the total. Fill out the part-whole model by partitioning the total into tens and ones. Then, complete the sentences. The first one has been done for you.

| Make | Count | Part-Whole Model | Complete                                              |
|------|-------|------------------|-------------------------------------------------------|
|      | 64    |                  | <p>There are 6 tens.</p> <p>There are 4 ones.</p>     |
|      |       |                  | <p>There are ___ tens.</p> <p>There are ___ ones.</p> |
|      |       |                  | <p>There are ___ tens.</p> <p>There are ___ ones.</p> |
|      |       |                  | <p>There are ___ tens.</p> <p>There are ___ ones.</p> |
|      |       |                  | <p>There are ___ tens.</p> <p>There are ___ ones.</p> |
|      |       |                  | <p>There are ___ tens.</p> <p>There are ___ ones.</p> |
