

Year 1 Home Learning 17th September 2026

Maths

This week we have been focusing on different ways to make 5.

We have been working hard to see which two numbers add together to equal 5.

$$2 + 3 = 5 \quad 1 + 4 = 5$$

$$3 + 2 = 5 \quad 5 + 0 = 5$$

For your Home Learning, go to the website below and have a go at these games.

Top Marks: Ways to make

<https://www.topmarks.co.uk/Flash.aspx?f=WaystoMake>

Wordwall: Number bonds to 5

<https://wordwall.net/resource/22372851/number-bonds-to-5>

Phonics

This term we are moving on to **Phase 4** in Phonics. We will also be revising each of the sounds we learned in Phase 3.

This week we have looked at the sounds: ft , ld, lk and lt.

We have also been learning some more CEW: said,she, have and be.

For your home learning please complete the sheet on the next page by matching the picture to the correct word.

Don't forget to bring in your home learning to show us!

Topic

We have started our new topic '**Paws, Claws and Roars**'.

We will be learning about lots of animals who have sharp claws and teeth and those who roar.

For your Home Learning this week, have a go at researching and drawing an animal of your choice which either have sharp teeth, sharp claws or roar.

Don't forget to bring in your home learning to show us!

Reading

Please try and remember to read your book for 10 minutes everyday.
