

Year 1 Home Learning 7th October 2026

Maths

This week we have been practicing using part-whole models to find number bonds.

Using objects from home (**uncooked pasta, buttons, Lego pieces**) ask someone at home to place an amount as the whole (**I have attached a blank part-whole model**) then have a go at finding different ways to make that amount using two numbers.

For example if my whole was 4 I could have:

4 and 0

3 and 1

2 and 2

Then, repeat with a different number.

Phonics/spelling

This week we have been learning:

fl (flag) **fr** (frog) **gl** (glad) **gr** (gran)

We have also been learning some more CEW:
there, are, little

Please practice these spellings:

1. **there**
2. **are**
3. **little**
4. **like**
5. **was**

Use these songs to help you practice some of our CEW.

Phase 3 tricky words- <https://www.youtube.com/watch?v=R087lYrRpgY>

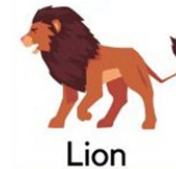

Phase 4 tricky words-

Topic

Next week we are going on our trip to London Zoo to see lots of amazing animals

For your Home Learning this week, draw a picture of an animal you would like to see. Then write 3-4 sentences about this animal.

Reading

Please try and remember to read your book for 10 minutes everyday.
