Year 1 Home Learning 14th October 2026

Maths

This week we have been practicing adding two numbers by counting on.

For your Home Learning this week have a go at these questions.

1. **Put 5 in your head,** count on 3 what number do you get to?
2. **Put 8 in your head,** count on 2 what number do you get to?
3. **Put 4 in your head,** count on 5 what number do you get to?
4. **Put 1 in your head,** count on 4 what number do you get to?

Look out for your child's MyMaths login coming home soon (**login will be in your child's reading record)** to practise even more maths at home.

Phase 4 tricky words- https://www.youtube.com/watch?v=J7RMqAxTbBc

English/Topic

This week in English we have been learning about the different animals at London Zoo.

As we have now been to the zoo, can you make a list of all the animals we saw? Maybe you could write down some sentences about your favourite parts of the day.

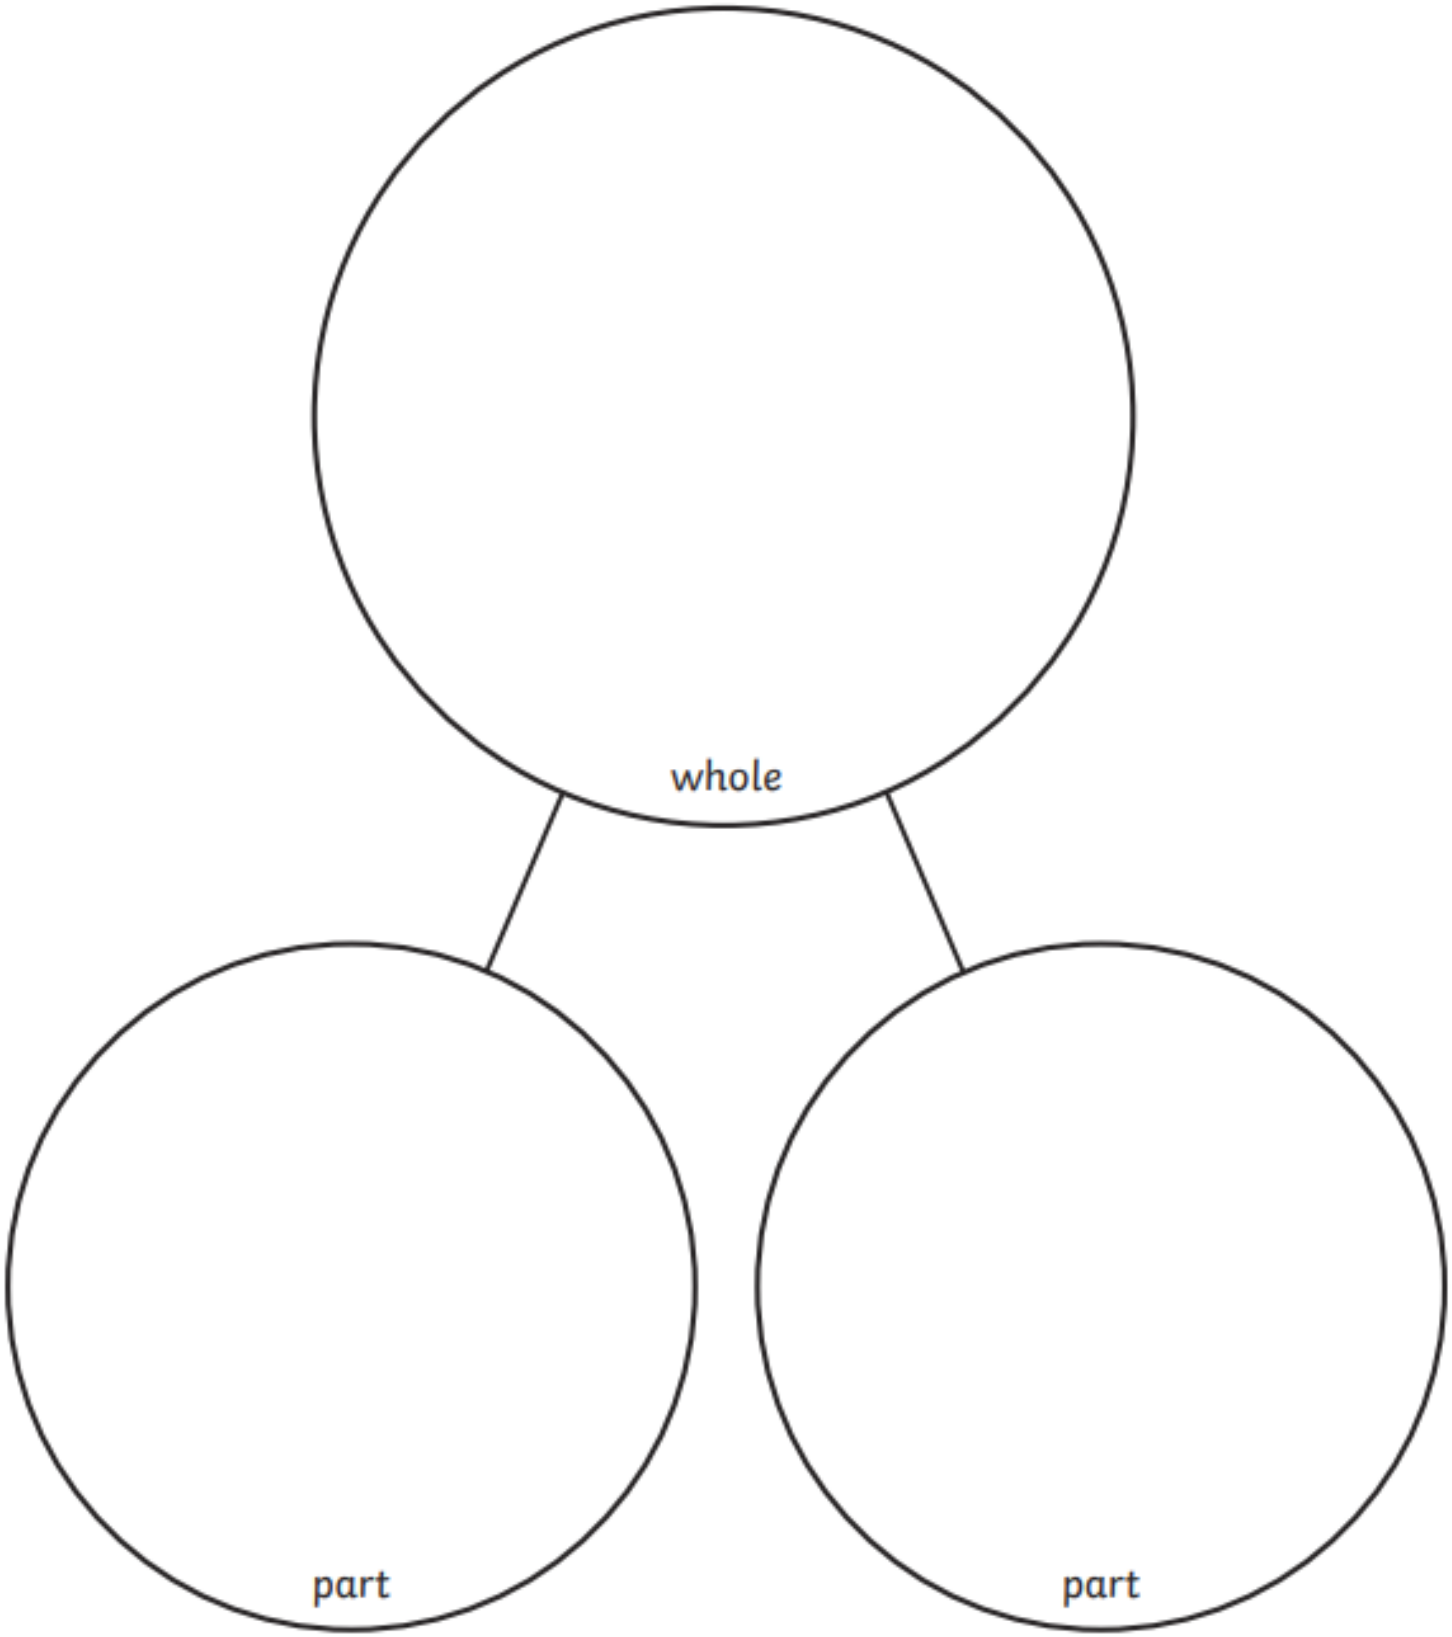

E.g. I liked the penguins. They can swim. They can dive.

Don't forget to bring in your home learning to show us!

Reading

Please try and remember to read your book for 10 minutes everyday.
