Year 3 Home Learning 15th October 2026

****Grown-ups ~ please supervise your child's home learning so they are attempting the work correctly****

TOPIC

Throughout the week, go outside (or use a torch indoors) and look for shadows of different shapes. Draw any interesting shadows you find and label what made them.

Can you find shadows that change shape when you move the object or light source?

MATHS

Use column addition to answer these questions.
You can draw the dienes or use a written method.

35 + 10 = 42 + 37= 162 + 35 =
473 + 111 = 364 + 225=

Extension: Can you come up with some of your own questions?

SPELLING

Revise the spelling of the long -u- vowel sound.

cool loose **huge** **June** through
grew fruit group continue **blue**

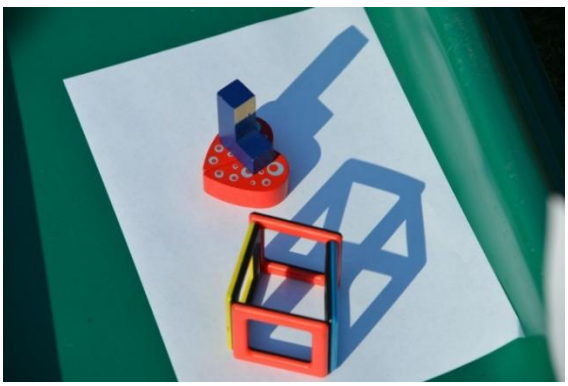

If your child has difficulty learning spellings, concentrate on the* ***bold* *spellings **

Remember to **read for at least 20mins every day**. Have a brilliant weekend! ☺
