WELCOME TO THE ARDING ROOMS

MADE FOR CELEBRATION

Once an event space that hosted banquets and balls, The Arding Rooms is the perfect setting for any special occasion. Full of drapery referencing the building's department store history, the main restaurant space sits under a stunning domed, stained glass window. Just one of the building's original features that can still be seen.

The Arding Rooms is a place where every moment feels intentional and nothing is left to chance. From the craftsmanship of the interior to the pouring of your drink, your experience is everything.

Timeless in its design, yet as current as it gets the Rooms offer a modern entertaining space nestled in a beautiful, heritage building full of echoes of past celebrations that inspire good times. Put simply, it's a space where memories are made.

DRINK

ENJOY THE CLASSICS AND MORE

Alongside our extensive wine list, we have a carefully curated collection of classic cocktails, with a house twist – from the Arding Room Old Fashioned to the spicy Picante. But if you find that your favourite is not on the list, just let us know and we'll see what the team can rustle up.

We also have a fabulous selection of our own low and no alcohol options as well as a wide range of soft drinks to choose from.

DINE

CURATED SEASONAL MENUS

Depending on the experience you'd like to create for you and your guests, you can choose from simple, yet delicious finger food to a full, three-course meal.

All of our dishes are crafted by our in-house chefs using the finest ingredients, sourced with care from quality makers and producers. The team will work with you to create the perfect culinary complement to your celebration.
