KIDS CLUB

WHERE YOUNG TALENTS TAKE FLIGHT

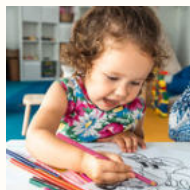

Our unique activities are designed to foster children's creativity and imagination, providing a safe and stimulating environment.

The outdoor area features a large pool with water guns, slides, and fountains where children can cool off and have fun under staff supervision.

The Kids Club program includes water games, dance parties, and quests, giving children the opportunity to explore the resort and enjoy a variety of activities throughout the day.

ACTIVITIES AT THE KIDS CLUB:

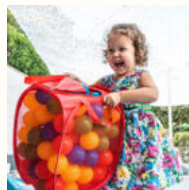

CREATE ACTIVITIES

- Drawing
- Solving puzzles
- Acting
- Singing
- Reading
- Painting
- Board games
- and much more

PHYSICAL ACTIVITIES

CELEBRATIONS

Our organizers can transform any children's celebration into a true magical experience.

- We will select music
- Prepare delicious treats and drinks
- Decorate the venue according to the theme
- Invite animators, magicians, and musicians.

DREAM DRAM THEATRE

WHERE THE LANGUAGE OF CHILDHOOD IS SPOKEN

At the Dream Dram theatre, children's imagination comes to life, creativity blossoms, and there are no limits to wonder.

Here, young audiences are immersed in a magical world of performances and events designed especially for kids.

The theatre's program is rich with vibrant productions that not only entertain but also nurture intelligence, empathy, and an appreciation for the arts.

ACTIVITIES AT DREAM DRAM THEATRE:

BABY PERFORMANCES FOR CHILDREN AGED 0-3

These interactive performances allow the youngest audience to create a new world from simple objects alongside the actors, fostering sensory perception and imagination.

PERFORMANCES FOR CHILDREN AGED 4+

Dynamic and engaging, these interactive educational performances immerse children in an informative game. Together with the actors, they explore the world around them, acquiring new knowledge and skills.

SPECIAL PROGRAMS FOR CHILDREN

In a warm and engaging environment, children take part in specially designed programs like "Tale in Your Palm", which nurture imagination, emotional expression, and communication skills through interactive storytelling and creative activities.

DUKLEY ACADEMY

ON THE PATH TO GREAT DISCOVERIES

Pearson international school "Dukley Academy" is an innovative educational center in Montenegro, offering continuous education programs for children from 3.5 years old, including kindergarten, elementary school, clubs, labs, theater, summer camps, and exam facilities.

- Follows the British Curriculum
- Over 15 years of experience in Montenegro
- Pearson international school

WHY CHOOSE DUKLEY ACADEMY:

BRITISH EDUCATIONAL PROGRAM

Dukley Academy offers a globally recognized curriculum, ensuring your child receives the same education as in the UK while living by the sea.

CAMBRIDGE EXAM CENTER

As a Cambridge Exam Center, the school provides certificates such as Young Learners English, KET, PET, FCE, confirming students' knowledge.

DUKLEY ACADEMY PHILOSOPHY

The school's philosophy emphasizes having certain rules without comparing children. A safe, comfortable atmosphere to realize children's potential.

SMALL CLASSES

With small class sizes of up to 10 students, each child receives ample individual and focused attention.

DIVERSE DISCIPLINES

In addition to English, math, and science, the curriculum includes arts, music, drama, educational campaigns, outings, and an active lab.

KINDERGARTEN "KUCHA-MALA"

Kindergarten "Kucha-Mala" for children is a space where we promote efficient use of resources, ensuring the right focus at each stage of development. We guide children's psycho-emotional growth, instill healthy eating habits, and support parents. We also conduct professional psychological training for educators.
