

Tanja Bernold

Day Care, Teaching Assistant

“I treat all children lovingly and with a sense of nuance. I offer them a place where they feel seen and understood. I take them by the hand when they need guidance or give them support when they are exploring new terrain. Together we create time in the now and give free rein to our creativity.”

Professional experience

- 10 years as a dance teacher and choreographer, Glarus
- 15 years as an author and designer, Zurich
