Throughout the season, **Café Benedict will present a special holiday menu** created exclusively for this period. Inspired by winter ingredients and a contemporary culinary approach, the selection combines the comfort of traditional flavours with refined, creative touches.

On **25 December, Café Benedict will host a traditional Christmas lunch** accompanied by live music. The centrepiece will be roasted turkey with seasonal sides, reinterpreted with a modern sensibility, in an atmosphere that reflects the calm and warmth of the holiday.

One of the highlights of the programme will be the **Dukley Winter Market, taking place from 24 to 31 December in front of Harmonia Hotel.**

Guests will enjoy stations with hot chocolate, mulled wine, festive cocktails and a variety of sweet and savoury bites, all set to live music. Rather than a typical winter backdrop, the market reflects the character of the coast, with fresh sea air, Mediterranean greenery and an open-air social atmosphere.

The **New Year's Eve celebration will be held at Dukley Seafront Restaurant**, featuring an eight-course gala menu, curated performances and live music by Eliza Stark and the Dappers, followed by a DJ programme. The evening is designed as a refined and immersive culinary and musical experience.

On 1 January, the celebration continues at Dukley Beach & Bar with the traditional New Year's Day BBQ party. Sunlight, the sound of the sea and a relaxed seaside setting create an unhurried start to the year, with warm food, music and a sociable atmosphere.

A special place in the programme is reserved for the **Dukley Children's Bazaar on 28 December**, combining entertainment and education through workshops focused on sustainability, creative recycling and practical skills, offering children space to explore while parents enjoy a moment of rest.

The festive programme continues on **7 January with a Christmas lunch at Café Benedict**, marked by a warm, family-oriented atmosphere.

Guests wishing to extend the festive experience may enjoy special accommodation benefits during December, including preferential rates, room upgrade upon availability, early check-in and late check-out, breakfast at Café Benedict, access to the spa and gym, a wellness treatment discount, an in-room welcome and pet-friendly stays.

Dukley invites guests to spend the holiday season by the sea, surrounded by fine flavours, music and a distinctive festive ambience, where December becomes a time for gathering, celebration and unhurried enjoyment.
