EVENTS

The season opens with the **Burger Festival, taking place from May 1st to 3rd**, reimagined beyond the classic street food concept.

Over three days, the beach transforms into **an open-air culinary stage**, where the burger is elevated through carefully selected ingredients and unexpected combinations, with a strong focus on premium meat specialties. From **juicy beef classics** and double combinations to refined interpretations such as **Surf & Turf burgers with shrimp and chimichurri**, as well as truffle-infused creations with selected cheeses, the offering is complemented by **vegetarian and vegan options**.

Throughout the festival, the beach comes alive with **DJ performances, live bands**, and a vibrant yet relaxed atmosphere that brings together friends and families.

Later in the month, **May 21st introduces the traditional BBQ Day Party on the beach**, featuring diverse food stations, a dedicated kids' zone with entertainment, water sports, and live music—further confirming Dukley Beach as one of the central meeting points at the start of the summer season.

DUKLEY RIVIERA

Dukley Riviera brings together a variety of seaside settings into one seamless and well-rounded experience. **Three distinct beaches, five restaurants with diverse culinary concepts, and a panoramic pool** create a destination guests return to, regardless of the mood.

Starting **May 1st, a complimentary boat transfer connects Dukley directly with Budva's Old Town**, offering arrival by sea as part of the overall experience.

The day can begin with breakfast and coffee at Benedict Cafe, continue on Dukley Beach or in the more vibrant atmosphere of Laguna Beach & Restaurant, and unfold through the flavors of Sumosan Montenegro or the Mediterranean ambiance of Dukley Seafront Restaurant.
